Remix culture, sometimes read-write culture, is a society that allows and encourages derivative works by combining or editing existing materials to produce a new creative work or product. A remix culture would be, by default, permissive of efforts to improve upon, change, integrate, or otherwise remix the work of copyright holders. While a common practice of artists of all domains throughout ...

The issue of global warming, its possible effects, and related human-environment interaction have entered popular culture since the late 20th century.. Science historian Naomi Oreskes has noted, "There's a huge disconnect between what professional scientists have studied and learned in the last 30 years, and what is out there in the popular culture." An academic study contrasts the relatively ...

Changing Company Culture Requires a Movement, Not a Mandate

I've been brought up in my personal life and also through my groundwork at CAAMA, to have a responsibility, [a] personal responsibility to make films or to use media as a vehicle to tell my people's story and to create change, and that's essentially what drives, to date, my work.. The vehicle for Rachel Perkins' project of creating change " by re-articulating Australian history ...
