A crime laboratory - often shortened to crime lab - is a scientific laboratory, using primarily forensic science for the purpose of examining evidence from criminal cases.

### **Crime lab - Wikipedia**

A gang is a group of associates, friends or members of a family with a defined leadership and internal organization that identifies with or claims control over territory in a community and engages, either individually or collectively, in illegal, and possibly violent, behavior. Some criminal gang members are "jumped in" (by going through a process of initiation), or they have to prove their ...
