CULTURAL STUDIES - University of the Incarnate Word

Cultural anthropology has been at the forefront of researching gender roles and how they vary across cultures, and Estabrook mentioned military spouses as typically strongly oriented around traditional American gender roles when she teaches theories that may run counter to their views.

Anthropologists consider challenges of teaching in a red state

What Is Anthropology? Anthropology is the scientific study of the origin, the behaviour, and the physical, social, and cultural development of humans. Anthropologists seek to understand what makes us human by studying human ancestors through archaeological excavation and by observing living cultures throughout the world.

What Is Anthropology? - Morrisville State College

Orin Starn is Professor of Cultural Anthropology and History. He has wide-ranging interests including Latin America, Native North America, social movements and indigenous politics, the history of anthropology, activist anthropology, and, more recently, sports and society.
