Black people is a term used in certain countries, often in socially based systems of racial classification or of ethnicity, to describe persons who are perceived to be dark-skinned compared to other populations. As such, the meaning of the expression varies widely both between and within societies, and depends significantly on context. For many other individuals, communities and countries ...

The question of what it means to be "European" comes up regularly on Debating Europe. In the past, we've debated whether a common European identity is possible, whether you feel European, and what EU citizenship means to you. These are all important questions, and your opinion on almost every topic we cover " from immigration, to Eurozone bailouts, to relations with Russia " will be ...
