Republicanism has had different definitions that vary significantly based on historical context and methodological approach.. Republicanism, as an ideological approach, is a political ideology centered on citizenship in a state organized as a republic under which the people hold popular sovereignty. Republicanism may also refer to the non-ideological scientific approach to politics and governance.

The International Olympic Committee (IOC) uses three-letter abbreviation country codes to call each group of
athletes that participate in the Olympic Games.. Since 1952, the list of IOC country codes has changed as
new countries were added. Sometimes the names of countries were changed. Some countries have had as
many as four different codes.
