In this post, I present a method to design Butterworth IIR bandpass filters. My previous post [1] covered lowpass IIR filter design, and provided a Matlab function to design them. Here, we do the same thing for IIR bandpass filters, with a Matlab function bp\_synth.m.

### **Design IIR Bandpass Filters - Neil Robertson**

The oldest forms of electronic filters are passive analog linear filters, constructed using only resistors and capacitors or resistors and inductors. These are known as RC and RL single-pole filters respectively. However, these simple filters have very limited uses.
