

educational potential of computer pdf

In response to Executive Order 12999: Ensuring opportunity for all children in the next generation, FSG 70 equipment reported to GSA will be available to eligible schools and educational nonprofits.

Computers For Learning - Application Maintenance Alert

Educational inequality is the unequal distribution of academic resources, including but not limited to; school funding, qualified and experienced teachers, books, and technologies to socially excluded communities. These communities tend to be historically disadvantaged and oppressed. More times than not, individuals belonging to these marginalized groups are also denied access to the schools ...
