Running a World of Darkness story featuring ghosts is one method of confronting the horrific possibilities of the great beyond, and of having an evening's fun in the bargain. But a ghost story experienced in a book, film or even around a campfire is a very different thing than one experienced in a roleplaying game.

World of Darkness. The World of Darkness is much like our world, but it is darker, more devious and more conspiratorial – an aesthetic we call “Gothic-Punk”. The dichotomy between the rich and the poor, the influential and the weak, and the powerful and the powerless is much more pronounced than in the real world.
