Mystery religions, sacred mysteries or simply mysteries were religious schools of the Greco-Roman world for which participation was reserved to initiates (mystai). The main characterization of this religion is the secrecy associated with the particulars of the initiation and the ritual practice, which may not be revealed to outsiders.

A cargo cult is a belief system among members of a relatively undeveloped society in which adherents practice superstitious rituals hoping to bring modern goods supplied by a more technologically advanced society. These cults, millenarian in nature, were first described in Melanesia in the wake of contact with advanced Western cultures. The name derives from the belief which began among ...
