A one line statement that declares positively an intention or condition for a desirable outlook and outcome. Affirmations are unlimited as each individual is an unlimited being. Affirmations are to be used on a conscious level and act as a recording over our subconscious or limited beliefs. Positive affirmations are a very powerful means of reprogramming self defeating thoughts and the ...

Many times, when people start out writing positive affirmations and making up an affirmation list, two things happen... First, people will get tunnel vision and only do daily positive affirmations for one category of their life. For example, when the subject of abundance and prosperity comes up, the tendency is to focus solely on affirmations for abundance and prosperity, affirmations about ...

Self-efficacy is an individual's belief in his or her innate ability to achieve goals. Albert Bandura defines it as a personal judgement of "how well one can execute courses of action required to deal with prospective situations". Expectations of self-efficacy determine whether an individual will be able to exhibit coping behavior and how long effort will be sustained in the face of obstacles.
