Visual Analysis Definition of genre Visual analysis is the basic unit of art historical writing. Sources as varied as art magazines, scholarly books, and undergraduate research papers rely on concise and detailed visual analyses. You may encounter a visual analysis as an assignment itself; or you may write one as part of a longer research paper.

### **visual analysis - Duke Thompson Writing Program**

Most visual analysis papers will require a clear and vivid description of the image along with an analysis of the visual composition of the picture in order to explain how the artist put the image together to create meaning.
