Everytime I open a PDF file it opens up in PDF Complete 4.0.9 Special Edition (came pre-installed) at a very high zoom-view (like 274%) and I have to minimize the zoom for EVERY single PDF I open. The font is always too large to read.

How do I open a PDF file at a specific zoom percentage

Why do you write for young adults? I think it's an important age. My young adult years had the biggest impact on me of any period in my life and I remember so much about them. When I need to access the physical memories and/or emotional memories of that period in my life, it isn't such a struggle. And kids are great.
