First and foremost, players should NEVER use the top of their helmets to tackle, block or strike an opponent.. Make sure your kids understand that the helmet is a protective device, not a missile to be launched into other players.. Second, tackling drills should be run at half-speed, especially in the early part of the season.

Published continually since 1998, "NEWS YOU CAN USE" was a Blog before "Blog" was even a word! Its intention has been to help inform the football coach and the interested football observer on a wide variety of topics, usually - but not always - related in some way to coaching or leadership. It contains news and views often (trigger alert!) highly opinionated but intended to be thought-provoking.
