Russian cursive - Wikipedia

Cursive (also known as script or longhand, among other names) is any style of penmanship in which some characters are written joined together in a flowing manner, generally for the purpose of making writing faster. Formal cursive is generally joined, but casual cursive is a combination of joins and pen lifts. The writing style can be further divided as "looped", "italic" or "connected".

If you follow my blog, you know that I think preschoolers should start with many different hands-on ways to write the alphabet. They can create a letter with small manipulatives, write it with a finger in food or shaving cream, and have many other creative experiences. Eventually, though, it's time to move to pencil and paper -- or at our house, marker and paper.
