In sports leagues, promotion and relegation is a process where teams are transferred between multiple divisions based on their performance for the completed season. The best-ranked team(s) in the lower division are promoted to the higher division for the next season, and the worst-ranked team(s) in the higher division are relegated to the lower division for the next season.

### **Promotion and relegation - Wikipedia**

This information is for taxpayers and their advisers - including valuers - who need to value something for tax purposes. It explains the processes to establish a market value for taxation purposes, our expectations, and the most common valuations.
